CERTIFICATE

(Issued October 17, 2001)

On September 12, 2000, the Utilities Board (Board) issued an order granting an application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29 (1999), to Community Cable Television Agency of O'Brien County, d/b/a Community Cable Television (Community Cable Television). In the order, the Board approved the concurrence of Community Cable Television in certain exchange maps of Iowa Telecommunications Services, Inc., d/b/a Iowa Telecom (Iowa Telecom), and Northern Iowa Telephone Company (NITC), and stated that Community Cable Television would be issued a certificate when it had obtained an approved tariff on file with the Board.

On September 20, 2001, Community Cable Television Agency of O'Brien County, d/b/a The Community Agency and TCA (Community Cable Television), filed a proposed tariff that contained the terms, conditions, and rates for local exchange service and listed the exchanges where Community Cable Television intended to provide service. The proposed tariff has been identified as Docket No. TF-01-291.

The Board acknowledges that the name reflected in the September 12, 2000, "Order Approving Application and Concurrence in Maps" is slightly different from the name appearing on the proposed tariff. The utility has expressed its wish for the certificate to reflect the name shown on the proposed tariff. An order approving the proposed tariff and issuing a certificate is being issued concurrently with this certificate. Since Community Cable Television will have an approved tariff to provide local exchange service, the Board will issue Certificate No. 0241 authorizing Community Cable Television to provide local exchange service in exchanges as shown by its tariffs.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1) (2001), authorizes Community Cable Television Agency of O'Brien County, d/b/a The Community Agency and TCA, to furnish local telephone service in the exchanges as shown by its tariffs as currently and subsequently approved.
